

Parent Contract

1. I WILL represent the Eagles Baseball Program in a positive manner.

- Augusta Eagles Baseball expects parents to act as role models and support our program with positive sportsmanship.
- Parents are not to argue or express any negative behaviors, including cursing and foul language towards coaches, umpires, spectators, or opposing teams during practices, games or any other team functions.
- Parents will respect the judgment of coaches and officials during games and realize that their decisions are based on fast-moving game conditions as they observe them from their vantage point.
- Parents will not use alcohol, drugs, or tobacco products at any Eagles Baseball event. This behavior is prohibited and could result in immediate removal from the event.
- Parents will not approach a coach before or after a game or practice to discuss baseball decisions made by coaches. You MUST wait 24 hours before reaching out to a coach. Players should approach coaches before or after practices to discuss baseball decisions BEFORE parents become involved. If a player and parent are still concerned after discussion with a coach, then a meeting with the baseball committee and coaches can be scheduled.

2. I WILL support the Augusta Eagles Baseball organization.

- Parents will be required to help fulfill duties during games. This includes working concessions, collecting gate fees, running a score board, and keeping a scorebook. Assignments will be made once the schedules are complete and if there is a conflict with your assignment, it is YOUR RESPONSIBILITY to find a replacement. All positions must be filled for all games.
- Parents are responsible for making sure that all fees due are paid. Players with outstanding fees will not be able to participate in any practices or games until the fees are paid.
